

## Albert Welding MINI

## PORTABLE MMA INVERTER

**MMA - 160 A**

**Rated input voltage - 230 V**

**Frequency - 60 Hz**

**No-load voltage - 60 V**

**Input capacity - 5.3 KVA**

**Current range - 20-160 A**

**Rated duty cycle - 60%**

**Insulation class - F**

**Efficiency - 85%**

**Power factor - 0.93 Cos  $\phi$**

**Cooling type - fan**

**Usable electrodes - 1.6-4.0 mm**

**Protection class - IP21**

**Weight - 1.8 kg**

**Packing dimensions - 420 mm x 300 mm x 220 mm**

**PACKING LIST:** operating manual, handhold mask, hammer, shoulder strap (1.5 m), electrode holder with a 3 m cable, earth clamp with a 3 m cable
